Statement of Authorship for joint/multi-authored papers for PGR thesis
To appear at the end of each thesis chapter submitted as an article/paper

The statement shall describe the candidate's and co-authors' independent research contributions in the thesis publications. For each publication there should exist a complete statement that is to be filled out and signed by the candidate and supervisor **(only required where there isn't already a statement of contribution within the paper itself).**

Title of Paper	Learning Camera Performance Models for Active Multi-Camera Visual Teach and Repeat	
Publication Status	x Published	□ Accepted for Publication
	□ Submitted for Publication	□ Unpublished and unsubmitted work written in a manuscript style
Publication Details	Matias Mattamala, Milad Ramezani, Marco Camurri, Maurice Fallon, "Learning Camera Performance Models for Active Multi-Camera Visual Teach and Repeat," *International Conference on Robotics and Automation*, 2021.	

Student Confirmation

Student Name:	Matias Mattamala		
Contribution to the Paper	- Contributed to development of the idea - Wrote the complete visual teach and repeat pipeline - Executed closed-loop field experiments - Performed data analysis and processing - Wrote large portions of the paper		
Signature		Date	September 8, 2023

Supervisor Confirmation

By signing the Statement of Authorship, you are certifying that the candidate made a substantial contribution to the publication, and that the description described above is accurate.

Supervisor name and title: Professor Maurice Fallon		
Supervisor comments Matias was the lead investigator, implementer and researcher on this project and wrote the bulk of the paper		
Signature	Date	September 8, 2023

This completed form should be included in the thesis, at the end of the relevant chapter.
